Manual for Agricultural Clearance

The information herein is supplied with the understanding that no discrimination is intended and that listing of commercial products, necessary to this manual, implies no endorsement by the authors or Plant Protection and Quarantine (PPQ) of APHIS, USDA. Criticism of products or equipment **not** listed is neither implied nor intended.

Due to constantly changing laws and regulations, PPQ can assume no liability for the suggested use of chemicals contained herein. Pesticides should be used according to the label directions on the pesticide container.

Update Record

Record the transmittal number and the date you receive each update in the appropriate columns.
